

**Annex A, B, C, D & E**

**ACCREDITATION AND RE-ACCREDITATION DECISIONS AS PER PEC 97<sup>th</sup> EAB/EA&QEC MEETING**  
**HELD ON JUNE 15 & 23, 2020 THROUGH ZOOM VIDEO LINKS**

**Note:**

- It is to clarify that decisions given below are the summarized decisions regarding the programs for general/public information. However, detailed decisions are being communicated separately to respective Higher Education Institutions (HEIs) through official letter(s).
- Programs Accredited Under Level-I mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2007.
- Programs Accredited under Level-II mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2014 (Substantially equivalent to Washington Accord).

S/N	HEI	Engineering Program	97 <sup>th</sup> EAB/EA&QEC Decision	Under Level-I / Level-II
<b>Zone-I (Punjab)</b>				
<b>Annex-A</b>				
<b>[Consideration of Physical Visit Reports (Manual 2014) [Accreditation/Re-accreditation]</b>				
1.	National University of Sciences and Technology, Islamabad – Military College of Signals, Rawalpindi Campus	B.E Electrical (Telecommunication)	Re-accreditation is granted for Four Years i.e., Intake Batches 2016, 2017, 2018 & 2019 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
2.	Foundation University Institute of Engineering and Management Sciences, Rawalpindi (Foundation University Islamabad)	B.Sc. Electrical Engineering	Re-accreditation is granted for One Year i.e., Intake Batch 2016 under Level-II, First Schedule of PEC Act.  Further, re-accreditation is also recommended for Intake Batch 2017 under Level-II subject to provision of evidence report on deficiencies & weaknesses mentioned in visit report.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
3.	University of Engineering & Technology (UET), Lahore	B.Sc. Geological Engineering	Re-accreditation is granted for Two Years i.e., Intake Batches 2016 & 2017 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II

		B.Sc. Mining Engineering	Re-accreditation is granted for Three Years i.e., Intake Batches 2016, 2017 & 2018 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision	Level-II
4.	University of Engineering and Technology, Lahore (Kala Shah Kaku Campus)	B.Sc. Chemical Engineering	Re-accreditation is granted for Three Years i.e., Intake Batches 2016, 2017 & 2018 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
		B.Sc. Electrical Engineering	Re-accreditation is granted for One Year i.e., Intake Batch 2016 under Level-II, First Schedule of PEC Act.  Further, re-accreditation is also recommended for Intake Batch 2017 under Level-II subject to provision of evidence report on deficiencies & weaknesses mentioned in visit report.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
5.	Swedish College of Engineering & Technology, Wah Cantt.	B.Sc. Civil Engineering	Re-accreditation is granted for Two Years i.e., Intake Batches 2016 & 2017 under Level-II, First Schedule of PEC Act.  The institution is advised to comply with the PEC Education Regulations to hold entry test for all eligible and aspiring candidates including quality of science subjects / marks secured by the selected students on merit. It is further expected to ensure quality standards for new admission/intake in-line with PEC Admission Policy issued already to all HEIs during COVID-19 pandemic.  The record of entry test should be maintained as an evidence for admitted students to be verified by PEC during next accreditation visit.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
		B.Sc. Mechanical Engineering	Re-accreditation is granted for Two Years i.e., Intake Batches 2016 & 2017 under Level-II, First Schedule of PEC Act.  The institution is advised to comply with the PEC Education Regulations to hold entry test for all eligible and aspiring candidates including quality of science subjects / marks secured by the selected students on merit. It is further expected to ensure quality standards for new admission/intake in-line with PEC Admission Policy issued	Level-II

			<p>already to all HEIs during COVID-19 pandemic.</p> <p>The record of entry test should be maintained as an evidence for admitted students to be verified by PEC during next accreditation visit.</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	
6.	Institute of Quality & Technology Management (IQTM), UoP Lahore	B.Sc. Industrial Engineering	<p>Re-accreditation is granted for Two Years i.e., Intake Batches 2015 &amp; 2016 under Level-I, First Schedule of PEC Act.</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	Level-I
7.	Lahore Leads University, Lahore	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for Two Years i.e., Intake Batches 2015 &amp; 2016 under Level-II, First Schedule of PEC Act.</p> <p>The institution is advised to comply with the PEC Education Regulations to hold entry test for all eligible and aspiring candidates including quality of science subjects / marks secured by the selected students on merit. It is further expected to ensure quality standards for new admission/intake in-line with PEC Admission Policy issued already to all HEIs during COVID-19 pandemic.</p> <p>The record of entry test should be maintained as an evidence for admitted students to be verified by PEC during next accreditation visit.</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	Level-II
		B.Sc. Civil Engineering	<p>Re-accreditation is granted for One Year i.e., Intake Batches 2015 under Level-I, First Schedule of PEC Act.</p> <p>Further, re-accreditation for Intake Batch 2016 is recommended under Level-II subject to submission of compliance report on all weaknesses mentioned in visit report.</p> <p>The institution is advised to comply with the PEC Education Regulations to hold entry test for all eligible and aspiring candidates including quality of science subjects / marks secured by the selected students on merit. It is further expected to ensure quality standards for new admission/intake in-line with PEC Admission Policy issued already to all HEIs during COVID-19 pandemic.</p> <p>The record of entry test should be maintained as an evidence for</p>	Level-I

			<p>admitted students to be verified by PEC during next accreditation visit.</p> <p>The observations for compliance and CQI are mentioned in detailed decision.</p>	
<p align="center"><b>Consideration of Physical Visit Reports [Zero/Special Zero/Interim/Change of Scopes, Confirmatory]</b></p>				<b><u>Annex-B</u></b>
1	National University of Science & Technology, Military College of Signals, Rawalpindi Campus	B.E. Computer Software	<p>Permission is granted to increase the intake from 120 to 150 students and Change of Nomenclature from B.E Computer Software to B.E Software w.e.f Fall-2020 subject to submission of satisfactory compliance report on following:</p> <ul style="list-style-type: none"> <li>i. Hiring Two PhD/ MS qualified faculty registered with PEC in Computer/ Software Engineering area.</li> <li>ii. The 75% of program faculty should be from Computer/ Software Engineering (PEC registration in Computer discipline) and rest of 25% faculty may be from relevant engineering disciplines i.e Electrical, Electronics &amp; Telecommunication.</li> </ul> <p>The observations/weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.</p>	N.A
2	Lahore University of Management Sciences (LUMS), Lahore	B.S Chemical Engineering	<p>Permission is granted to continue the program subject to submission of satisfactory compliance report within six months on following:</p> <ul style="list-style-type: none"> <li>i. Appointment of HoD possessing PhD in relevant area and registered with PEC in Chemical Engineering.</li> <li>ii. Addition of equipment in Process Control Lab, increasing number of work stations in Chemical Reaction &amp; Separation Process Labs.</li> <li>iii. Constitution of IAB, BoS and CQI policy.</li> </ul> <p>The observations/weak areas/ concerns identified by the PEC visitation team in visit report must be addressed before applying for subsequent PEC visit.</p>	N.A

3	University of Engineering and Technology, Lahore (Kala Shah Kaku Campus)	B.S Chemical Engineering	Permission is granted to increase the intake from 80 to 100 students per year in a single entry (2 sections of 50 students each) w.e.f., Fall-2020 & onwards.	N.A
		B.Sc. Electrical Engineering	Permission is granted to increase the intake from 80 to 100 students per year in a single entry (2 sections of 50 students each) w.e.f., Fall-2020 & onwards.	N.A
<b>[Consideration of Provisional Accreditation through Desk Review Assessment) [Accreditation/Re-accreditation]</b>				
<b>Annex-C</b>				
1.	University College of Engineering and Technology, Multan (Bahauddin Zakariya University, Multan)	B.Sc. Building and Architectural Engineering	Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u>  Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	Level-I
		B.Sc. Computer Engineering	Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is recommended for intake batch 2016 under the same previous status of Level-I subject to evidence(s) on hiring of one (01) more PhD engineering qualified faculty.</u>  Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014	Level-I
2	COMSATS University Islamabad (Lahore Campus)	B.Sc. Electrical (Electronics) Engineering	Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u>  Further, the physical accreditation visit to evaluate program will be	Level-I

			carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
3	COMSATS University Islamabad, (Sahiwal Campus)	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
4	Government College University, Lahore	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
5	Imperial College of Business Studies, Lahore	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

6	Institute of Southern Punjab, Multan	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-II
		B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-II
7	University College of Engineering and Technology, Islamia University of Bahawalpur, Bahawalpur	B.Sc. Electrical (Power) Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
		B.Sc. Telecommunication Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p>	Level-I

			Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014	
		B.Sc. Computer Systems Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
8	Information Technology University (ITU), Lahore	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
9	NFC Institute of Engineering Technology, Multan	B.Sc. Chemical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking</p>	Level-I

			<p>further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>Next re-accreditation visit request will only be entertained subject to compliance on appointment of Dean.</p>	
10	National University of Computer and Emerging Sciences, Islamabad (Lahore Campus)	B.S Electrical (Electronics/Telecommunication/Computer) Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
		B.S Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
11	Pakistan Institute of Engineering and Technology, Multan (University of Sargodha)	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

12	Quaid-e-Azam College Of Engineering and Technology, Sahiwal (University of Engineering and Technology, Lahore).	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
13	Sharif College of Engineering and Technology, Lahore (University of Engineering and Technology, Lahore)	B.Sc. Chemical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
		B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
14	Swedish College of Engineering & Technology (SCET), Rahim Yar Khan	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p>	Level-I

			Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
		B.Sc. Electrical (Electronics/Power) Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
15	The Superior College, Lahore	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
		B.Sc. Avionics Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking</p>	Level-I

			further re-accreditation will be reviewed inline with Accreditation Manual 2014	
16	University of Central Punjab (UCP), Lahore	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-II
		B.Sc. Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-II
17	School of Engineering, University of Management and Technology, Lahore (Formally School of Science and Technology, University of Management & Technology, Lahore)	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014</p>	Level-I
18	Rachna College of Engineering and Technology, Gujranwala	B.Sc. Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-</u></p>	Level-II

	(University of Engineering and technology Lahore)		<p><u>accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. Annex-D				
Ratification/ Approval of Compliance Based Re-accreditation/ Permission Granted by EAB/EA&QEC				
1	The University of Lahore, Lahore (Main Campus),	B.Sc. Civil Engineering	Re-accreditation was granted for one year i.e., Intake Batch 2016 under Level-II.	Level-II
2	Bahauddin Zakariya University, Multan	B.Sc. Electrical Engineering,	Re-accreditation was granted for two years i.e., Intake Batches Fall-2014 & Fall-2015 under Level-I.	Level-I

Ratification / Approval of Compliance Based Re-accreditation / Permission Granted by EAB/ EA&QEC					Annex-E
1.	Dr. A. Q. Khan Institute of Computer Science & Information Technology (KICSIT), Rawalpindi,	B.Sc. Computer Engineering	Permission was granted for change of status from affiliation with UET Taxila to Institute of Space Technology (IST), Islamabad as its Sub-Campus w.e.f., Fall-2019 & onward admissions.	-	

S#	HEI	Engineering Program	97 <sup>th</sup> EAB / EA&QEC Decision	Under Level-I / Level-II	
<b>Zone-II (Sindh, Balochistan)</b>					
<b>Consideration of Reports / Summaries based on Physical Visits</b> [Confirmatory/ Interim/Change of Scope Reports]					
1.	Ziauddin University, Karachi.	B.E. Electrical	Due to very low intake of students and non-compliance on OBE Criteria, the HEI is advised to close the program as it is not academically viable.  Further; the number of dedicated faculty members and lab engineers at interim stage are also deficient as per policy, therefore, at-least 03 more MS Faculty and 02 Lab Engineers need to be hired before applying for accreditation visit through SAR before October 31, 2020.  Further, HEI should submit CQI report before October 2020.	N.A	
		B.E. Civil	The program is deferred due to non-availability of Ph.D qualified HoD. The HEI is advised to submit the clarification regarding appointment of non-Ph.D. HoD.  Further, the issues of deficient lab staff and less space per student in the labs needs to be addressed.	N.A	

2.	ISRA University, Hyderabad	B.E. Civil Engineering	<p>Permission is granted to continue the program.</p> <p>The observations of the report must be addressed and compliance/progress report be submitted before Accreditation Visit request.</p>	N.A
		B.E. Mechanical Engineering	<p>Permission is granted to continue the program.</p> <p>The observations of the report must be addressed and compliance/progress report be submitted before Accreditation Visit request.</p>	N.A
3.	Mehran University of Engineering & Technology, Jamshoro	B.E Mechatronic	<p>Permission is granted to continue the program. However, the house showed serious concerns on late submission of interim visit request, this indicates the concern relating to Teaching Learning Assessment of OBA.</p> <p>Further, HEI is advised to submit the SAR for Intake Batch 2016 before June 2020 (as the date is extended for submission of SAR for Intake Batch 2016 by PEC Governing Body) along with CQI report and timetables of past four years.</p>	N.A
<b>Consideration of Re-Accreditation based on SAR Summaries through Desk Review Template</b>				<b><u>Annex-C</u></b>
	Bahria University, Islamabad (Karachi Campus)	Bachelor of Computer Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

		Bachelor of Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in Fall-2019 batch.</p>	Level-II
2.	Habib University (HU), Karachi	Bachelor of Science in Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
3.	Hamdard Institute of Engineering and Technology, Karachi	B.E. Electrical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II

4.	NED University of Engineering and Technology, Karachi	B.E. Bio-Medical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
		B.E. Chemical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
		B.E. Civil	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II

		B.E. Electrical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on continuous violations pertaining to students admitted more than allowed intake by PEC. Further, next re-accreditation request will not be entertained in case of such violations.</p>	Level-II
		B.E. Electronics	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
		B.E. Industrial & Manufacturing	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II

		B.E. Petroleum	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
		B.E. Software	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
		B.E. Telecommunication	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II

		B.E. Textile	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
		B.E. Urban	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
5.	National University of Computer and Emerging Sciences, Islamabad (Karachi Campus)	Bachelor of Science (B.S.) in Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

6.	Sir Syed University of Engineering & Technology, Karachi	B.S. Bio-Medical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in intake batch 2018.</p>	Level-I
		B.S. Computer Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in intake batch 2018.</p>	Level-I

		B.S. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is recommended for intake batch 2016 under Level-I, subject to appointment of one more Ph.D. Faculty.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in intake batch 2018.</p>	Level-I
		B.S. Telecommunication Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is recommended for intake batch 2016 under Level-I, subject to appointment of one more Ph.D. Faculty.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in intake batch 2018.</p>	Level-I

7.	Shaheed Zulfiqar Ali Bhutto Institute of Science and Technology, Karachi	B.E. Mechatronics	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to DAEs students admitted more than allowed by PEC in intake batch 2018.</p>	Level-II
8.	Baluchistan University of Engineering and Technology, Khuzdar	B.E. Civil	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to students admitted more than allowed intake by PEC in Intake Batch 2018.</p>	Level-I

		B.E. Computer System	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to students admitted more than allowed intake by PEC in Intake Batch 2018.</p>	Level-I
		B.E. Electrical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to students admitted more than allowed intake by PEC in Intake Batch 2018.</p>	Level-I

		B.E. Mechanical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on violations pertaining to students admitted more than allowed intake by PEC in Intake Batch 2018.</p>	Level-I
9.	Quaid-e-Awam University of Engineering, Science and Technology, Nawabshah	B.E. Chemical	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on continuous violations pertaining to students admitted more than allowed intake by PEC.</p>	Level-I

		B.E. Telecommunication	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p> <p>The house showed serious concern on continuous violations pertaining to students admitted more than allowed intake by PEC.</p>	Level-I
10.	Mehran University of Engineering and Technology-Shaheed Zulfikar Ali Bhutto, Campus Khairpur Mirs	B.E. Petroleum & Natural Gas	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch F-2016 under Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
<b>Annex-D</b>				
1.	NED University of Engineering and Technology, Karachi	B.E. Food	Re-accreditation was granted for three years i.e., Intake Batches 2012-13 to 2014-15.	-

## Annex A, B, C &amp; D

**ACCREDITATION DECISIONS AS PER PEC 97<sup>th</sup> EAB/EA&QEC MEETING**  
**HELD ON JUNE 15 & 23, 2020 AT PEC HQ, ISLAMABAD**

## Note:

- It is to clarify that decisions given below are the summarized decisions regarding the programs for general/public information. However, detailed decisions are being communicated separately to respective Higher Education Institutions (HEIs) through official letter(s).
- Programs Accredited Under Level-I mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2007.
- Programs Accredited under Level-II mean that the program satisfies the accreditation criteria of PEC Accreditation Manual-2014 (Substantially equivalent to Washington Accord).

S/N	HEI	Engineering Program	97 <sup>th</sup> EAB / EA&QEC Decision	Under Level-I / Level-II
<b>Annex-A</b>				
<b>Zone-III (Islamabad / AJK / KPK / GB)</b>				
<b>Consideration of Visit Reports (Manual-2014) [Accreditation / Re-accreditation]</b>				
1.	COMSATS University Islamabad, Islamabad Campus	B.Sc. Electrical (Telecommunication) Engineering	Re-accreditation is granted for One year i.e., Intake Batch 2016 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
2.	International Islamic University, Islamabad	BS Electrical Engineering	Re-accreditation is granted for One year i.e., Intake Batch 2016 under Level-I, First Schedule of PEC Act.  Further; re-accreditation is also recommended for intake batch 2017 under Level-II subject to fulfillment of observations identified in detailed decision.	Level-I
		BS Mechanical Engineering	<u>Re-accreditation to Intake Batch 2016 is deferred</u> till submission of satisfactory compliance report on observations highlighted in detailed decision.	-

3.	University of Engineering and Technology, Peshawar (Bannu Campus)	B.Sc. Electrical Engineering	Re-accreditation is granted for Two years i.e., Intake Batches 2016 & 2017 under Level-II, First Schedule of PEC Act.  The observations for compliance and CQI are mentioned in detailed decision.	Level-II
<b>Zone-III (Islamabad / AJK / KPK / GB)</b> <b>Consideration of Visit Reports [Confirmatory/ Interim/Change of Scope Reports]</b>				<b>Annex-B</b>
1.	Muslim Youth University, Islamabad	BS Civil Engineering	Based on physical verification and assessment during Confirmatory visit, Accreditation is granted for One year i.e. Intake Batch 2015 under Level-I, First Schedule of PEC Act, 1976.  The observations for compliance and CQI are mentioned in detailed decision.	Level-I
<b>Zone-III (Islamabad / AJK / KPK / GB)</b> <b>[Re-Accreditation based on SAR Summaries through Desk Review Template, Manual - 2014]</b>				<b>Annex-C</b>
1.	Abasyn University, Peshawar (Islamabad Campus)	BE Civil Engineering	Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u>  Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	Level-II
2.	Capital University of Science and Technology, Islamabad	BS Civil Engineering	Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u>	Level-II

			Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
3.		BS Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
4.	Federal Urdu University of Arts Sciences and Technology, Islamabad	B.Sc. Electrical Engineering (Electronics)	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
5.	Grafton College, Islamabad (National University of Modern Languages, Islamabad)	BE Electrical Engineering (Telecommunication)	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program</p>	Level-I

			will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
6.	Hamdard University, Islamabad Campus (Hamdard University, Karachi)	BE Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
7.	Isra University, Hyderabad (Islamabad Campus)	BE Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
8.	National University of Computer & Emerging Sciences, Islamabad (Islamabad Campus)	BS Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown</p>	Level-I

			situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
9.	National University of Sciences and Technology – Institute of Environmental Sciences and Engineering, Islamabad	BE Environmental Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
10.	Pakistan Institute of Engineering and Applied Sciences (PIEAS), Islamabad	BS Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
11.	Islamic International Engineering College – Riphah International University, Islamabad	B.Sc. Bio-Medical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle</p>	Level-II

			and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
12.	The University of Lahore, Lahore (Islamabad Campus)	BS Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
13.		BS Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
14.		BS Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith</p>	Level-I

			batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.	
15.	National University of Modern Languages (NUML), Islamabad	BE Electrical Engineering (Telecommunication)	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
16.	The University of Azad Jammu & Kashmir, Muzaffarabad	B.S. Electrical Engineering (Telecommunication/ Electronics)	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
17.	Mirpur University of Science and Technology (MUST), Mirpur	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

18.	City University, Peshawar	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
19.		B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
20.	COMSATS University Islamabad, (Abbottabad Campus)	BS Computer Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II

21.		BS Electrical (Electronics) Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
22.		BS Electrical (Power) Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
23.	Gandhara Institute of Science and Technology, Peshawar (Affiliated with UET Peshawar)	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

24.	Gomal University, D.I.Khan	B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
25.	Qurtuba University, D.I. Khan	B.Sc. Civil Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
26.		B.Sc. Electrical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I

27.	Sarhad University of Sciences and Information Technology, Peshawar	B.Sc. Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
28.	University of Engineering and Technology, Peshawar (Abbottabad Campus)	B.Sc. Electronics Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
29.	University of Engineering and Technology, Mardan	B.Sc. Computer Software Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
30.		B.Sc. Telecommunication	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the</p>	Level-I

		Engineering	<p>program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	
31.	University of Engineering and Technology, Peshawar (Main Campus)	B.Sc. Chemical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-II.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-II
32.		B.Sc. Mechanical Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p> <p>Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.</p>	Level-I
33.		B.Sc. Mining Engineering	<p>Based on the desk review of SAR, accreditation history and level of CQI compliance from last accreditation visit, the program is observed without any deficiency and serious violation, therefore, <u>Re-accreditation is granted for intake batch 2016 under the same previous status of Level-I.</u></p>	Level-I

			Further, the physical accreditation visit to evaluate program will be carried out after normalization of the current lockdown situation imposed by the government. The accreditation cycle and Level assigned for intake batch 2016 above alongwith batches seeking further re-accreditation will be reviewed inline with Accreditation Manual 2014.
