MEMORANDUM OF HASHMANIS GROUP OF HOSPITALS WITH ALL HEALTH SERVICES

Hashmanis Group of Hospitals is a healthcare system with 8 hospitals across Sindh. A success story since the past 40 years - the flagship hospital is located in Saddar which is a 100 bedded Tertiary Care Hospital. The Ophthalmology division is unparalleled in services – regarded as one of the most equipped eye hospitals in the world. Today, Hashmanis provides services that are at par if not better with services provided by the best eye hospitals in the developed world. The Hospital is credited with introducing several new technologies and procedures to Pakistan such as: IOLs, Ocular CT Scans, iTrace, Phaco Systems, Lasik, Femto Lasik, Topography Guided Lasik, Femto Cataract, Phakic IOLs, etc. The Hospitals are equipped with instruments, technology and surgeries that are provided nowhere else in Pakistan.

Hashmanis Group of Hospitals is an institution recognized by the CPSP for FCPS training of fellows. Over the years the Hospital has trained several top notch surgeons across the world and it is a proud moment for the nation to have surgeons working in countries like the United Kingdom, Saudi Arabia, United States, UAE and Brazil trained through the Surgical Training Program at Hashmanis Hospital.

The flagship 100 bedded tertiary care hospital is equipped with critical care facilities and offers services in over 25 specialties such as Gynecology, Orthopedics, General Surgery, Internal Medicine, Pediatrics, Cardiology, Nephrology, Plastic Surgery and Dentistry. The hospital is treating COVID patients following stringent infection control protocols. The hospital offers 24-hour casualty services, and the department of radiology is equipped with a complete diagnostic suite offering services such as CT Scan, Digital X-Ray, Color Doppler Ultrasound, Echocardiography, ETT and OPG.

Hashmanis Hospital Clinical Laboratory is a fully equipped standalone laboratory offering a test menu of over 1,000 tests including the COVID 19 PCR and Nucleic Acid Testing. Hashmanis Lab is registered with the American Proficiency Institute (API) for COVID PCR Testing, BIORAD External Quality Assurance (EQAS), the National Institute of Health Pakistan (NIH), the Sindh Health Care Commission (SHCC) and is ISO 9001:2015 QMS Certified.

Hashmanis Hospital is not just a lab – it is a fully equipped tertiary care hospital offering a full range of COVID management services from COVID PCR Testing, to help through the COVID journey (home care), to hospitalization and critical care, to the post COVID rehabilitation.

Hashmanis Hospital Laboratory has been leading the fight against COVID and was the first private hospital in Sindh to offer COVID testing services. The following unique points distinguish Hashmanis Hospital Laboratory:

- The only Hospital in Sindh with two dedicated PCR testing labs
 - One of the biggest testing capacities of any lab in Pakistan – existing capacity of over 5,000 tests per day
- Aggressive reporting time of 12-24 hours
 - Urgent reports can be provided within 6-8 hours provided certain conditions are met
- Only Hospital or Laboratory collecting two samples for each patient: Nasal and Oral
 - This increases accuracy of results
- Testing kits accredited by the likes of: NMPA (CHINA), US FDA EUA, CE-IVD Marking
- Over 15 collections points in Sindh and Punjab
 - Home and Office Sampling capability across Pakistan
 - The only private lab/hospital in Sindh with a dedicated drive thru test center
- A dedicated online portal for your company
- COVID Test Suite:
 - COVID PCR
 - COVID Total Antibody
 - COVID Antigen
 - COVID CLIA IGG Antibody Quantitative
 - COVID CLIA IGM Antibody Quantitative
 - COVID ICT IGG/IGM Antibody Qualitative
 - COVID Post vaccine Antibody Qualitative

Hashmanis Hospital Laboratory is registered with top airlines and is offering COVID PCR Testing services for passengers to and from Pakistan. We are in sync with the airlines and data, including reports, is shared with the airline on a real time basis. Our reports come with a barcode for added security.
