

## CPD Activities Calendar for the Year 2024

| PEB Name:               |   | Faculty of Agricultural Engineering<br>Sindh Agriculture University, Tandojam |          |               |                          |
|-------------------------|---|---|----------|---------------|--------------------------|
| PEB Reg. #              |   | PEB-S-SAUTDI-0065   |          |               |                          |
| Name of PEB Coordinator |   | Dr. Shakeel Ahmed Soomro  |          |               |                          |
| Sr. #                   | CPD Title   | CPD Category / type   | Location | Dates         | Resource Person          |
| 1                       | Soil salinity identification, assessment and land reclamation.                                  | Training  | FAE      | February, 20  | Dr. Mashoque Ali Talpur  |
| 2                       | Introduction to zero tillage technology towards crop production.                                | Lecture   | FAE      | March, 05     | Dr. Farman Ali Chandio   |
| 3                       | Customizing topographic and contour maps using free and Open-Source tools.                      | Training  | FAE      | March, 21     | Dr. Irfan Ahmed Shaikh   |
| 4                       | AutoCAD hands-on training.  | Training  | FAE      | April, 02     | Engr. Zaheer Ahmed Khan  |
| 5                       | Crop water requirement and irrigation scheduling using CropWat and Mehran models.               | Lecture   | FAE      | August, 13    | Dr. Munir Ahmed Mangrio  |
| 6                       | From Waste to Weapon: Biochar's Rise as a Climate Change Avenger.                               | Seminar   | FAE      | August, 29    | Dr. Mahmood Leghari      |
| 7                       | Hands-on training in research design, graphic and statistical analysis using SPSS.              | Training  | FAE      | September, 19 | Dr. Rajesh Kumar Soothar |
| 8                       | Seminar on conventional and conservation tillage practices for soil and crop yield improvement. | Seminar   | FAE      | October, 02   | Dr. Irshad Ali Marri     |
