

# PAKISTAN ENGINEERING COUNCIL

## ATTENTION! PUBLIC WARNING

It has come to the notice of Pakistan Engineering Council (PEC) that certain individuals are advertising and publishing material on social media, enticing young engineers to apply and attend interviews for recruitment in Europe.

### THIS IS TO INTIMATE THAT:

PEC neither solicits nor is involved in any kind of recruitment of engineers in Europe or elsewhere. Additionally, PEC has not partnered with any individual or organization to entice, solicit or recruit any engineer for Europe or elsewhere. Therefore, all engineers please beware of the above.
