01	**Government College University, Lahore**		
	Program	B.Sc. Electrical Engineering	Re-accreditation is recommended for Intake Batch 2019 under Level-II subject to submission of satisfactory compliance report alongwith tangible evidences on following observations: • Conduction of lab experiments of following courses: ➢ Digital Signal Processing ➢ Control Systems ➢ Power System Analysis ➢ Addressal of all observations/ deficiencies and weaknesses (W2) as mentioned in the detailed visit report. The Institution, however, is required to address all observations/ weaknesses & concerns as mentioned in the PEV report as part of its CQI process before applying for next visit request to PEC.
	Current Status	Intake of Batch 2008 to 2018	
	Visit Type	Re-accreditation	
	Date of Visit	July 31 – 1 August, 2023	
02	**Institute of Southern Punjab, Multan**		
	Program	B.Sc. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, reaccreditation is recommended for two (02) year i.e., for Intake Batches 2019 and 2020 under Level-II subject to submission of satisfactory compliance report alongwith tangible evidence on appointment of atleast one more PhD engineering qualified faculty from core discipline for fulfillment of two (02) PhD faculty requirement for one (01) section. The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 3, 5 & 8 as mentioned in the PEV report as part of its CQI process before applying for next visit request to PEC.
