Agenda Item No.17 (a)(1)   Consideration of Reports/ Summaries
[Accreditation/ Re-accreditation]

Zone-I (Punjab)

S#	Name of University/ Program Profile		106th EAB Decision
01.	**Ata Institute of Engineering & Technology, Wazirabad (affiliated with UET, Lahore)**		
	Program	B.Sc. Electrical Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, accreditation is granted for intake batches 2016 & 2017 under Level-I.
	Current Status	Zero Visit permission granted from intake Fall-2015	
	Visit Type	Accreditation	Further, accreditation is also recommended for Intake Batch 2015 under Level-I subject to conduct of following labs:
	Date of Visit	March 04-05, 2022	
			1) Power Electronics Lab 2) Power System Protection Lab 3) Power System Analysis & Design Lab Therefore, to ensure proper Teaching-Learning mechanism as per PEC policy, students of intake batch 2015 have to undergo for remedial education followed by examination as per PEC policy in above mentioned labs as per HEC approved curriculum. Note: The Institute has already stopped academic operations and there is no intake after 2017.

Zone-II (Sindh, Balochistan)

S#	Name of University/Program Profile		106th EAB Decision
01.	**DHA Suffa University, Karachi**		
a.	Program	B.E. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is recommended for one (01) year i.e. Intake Batch 2017 under level-II subject to appointment of additional four (04) PhD qualified relevant engineering faculty.
	Current Status	From Intake of Batch Spring-2013 to 2016	
	Visit Type	Re-accreditation	
	Date of Visit	January 17-18, 2022	
			In case, the HEI does not want to increase the PhD faculty, then a formal application be submitted to EAD for reduction in allowed Intake in line with available PhD Faculty members.

S#	Name of University/Program Profile		106th EAB Decision
			Moreover, re-accreditation for intake batch 2018 is also recommended subject to a confirmatory visit to verify the compliance and level of accreditation on all observations highlighted in the visit report.
			The Institution, however, is required to address all weaknesses & concerns, particularly in Criteria 2,3,4,5 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	B.E. Mechanical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for one (01) year i.e. Intake Batch 2017 under Level-II.
	Current Status	From Intake of Batch Spring-2013 to 2016	
	Visit Type	Re-Accreditation	
	Date of Visit	January 17-18, 2022	Further, re-accreditation for intake batch 2018 is also recommended subject to a confirmatory visit to verify the compliance and level of accreditation, on all observations highlighted in the visit report.
			The Institution, however, is required to address all deficiencies, weaknesses & concerns, particularly in Criteria 2, 3, 4 & 5 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
02.	Iqra University, Karachi		
a.	Program	B.E. Electrical Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, accreditation is granted for one (01) year i.e., for intake batch 2017 under Level-I.
	Current Status	From Intake of Batch 2017	
	Visit Type	Accreditation	
	Date of Visit	January 28-29, 2022	Moreover, based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for one (01) year i.e. Intake Batch 2018 under Level-II
			The Institution, however, is required to address all observations/ weaknesses & concerns particularly in Criteria 2, 3, 4, 5 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	B.E. Electronics Engineering	The provisional accreditation granted to intake batch 2016 under Level-I is validated.
	Current Status	From intake of batch 2002 to 2016,	

S#	Name of University/Program Profile		106th EAB Decision
		excluding Batch-2003	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, re-accreditation is granted for one (01) year i.e., for intake batch 2017 under Level-I.
	Visit Type	Re-Accreditation	
	Date of Visit	January 28-29,2022	
			Moreover, re-accreditation for intake batch 2018 is also recommended subject to a confirmatory visit to verify the compliance and level of accreditation on all observations highlighted in the visit report.
			The Institution, however, is required to address all deficiencies, weaknesses & concerns, particularly in Criteria 2, 3, 5 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
03.	Isra University, Hyderabad		
a.	Program	B.E. Civil Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, accreditation is granted for two (02) years i.e., Intake Batches 2017 & 2018 under Level-II.
	Current Status	From intake batch 2017	
	Visit Type	Accreditation	
	Date of Visit	January 10-11, 2022	
			The Institution, however, is required to address all weaknesses & concerns, particularly in Criteria 3 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	B.E. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for one (01) year i.e. Intake Batch 2017 under Level-II.
	Current Status	From Intake of Batch 2010 to 2016	
	Visit Type	Re-Accreditation	
	Date of Visit	January 10-11, 2022	
			Further, re-accreditation of Intake Batch-2018 is also recommended under Level-II subject to submission of satisfactory compliance on the following observations:
			i. Availability of at least one more trainer of:
			a. Control application training system
			b. Transmission lines
			c. Power protection
			d. Power distribution
			e. Power generation
			ii. Implementation of functional OBE management system.

S#	Name of University/Program Profile		106th EAB Decision
			iii. Effective collaboration with industry for faculty projects/ consultancy, supervised internship, funding, and joint R&D.
			iv. Implementation of rubric based assessment for affective domain.
			The Institution, however, is required to address all weaknesses and concerns particularly in Criteria 3, 8 & 9 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
c.	Program	B.E. Mechanical Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, accreditation is granted for one (01) year i.e., for intake batch 2017 under Level-I.
	Current Status	From Intake of Batch 2017	
	Visit Type	Accreditation	
	Date of Visit	January 10-11, 2022	Further, the HEI has to submit a fresh application/ SAR for re-accreditation of intake batches 2018 & onwards under OBA after satisfactory compliance on deficiencies, weaknesses & concerns mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
04.	National Textile University Faisalabad, (Karachi Campus)		
a.	Program	B.Sc. Polymer Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, accreditation is granted for one (01) year i.e., for intake batch 2017 under Level-I.
	Current Status	From Intake of Batch 2017	
	Visit Type	Accreditation	
	Date of Visit	December 20-21, 2021	Further, the HEI has to submit a fresh application/ SAR for re-accreditation of intake batches 2018 & onwards under OBA after satisfactory compliance on deficiencies, weaknesses & concerns mentioned in the PEV report.
			The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 3 & 6 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	B.Sc. Textile Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, accreditation is granted for one (01) year i.e., for intake batch 2017 under Level-I.
	Current Status	From Intake of Batch 2017	
	Visit Type	Accreditation	
	Date of Visit	December 20-21, 2021	Further, the HEI has to submit a fresh application/ SAR for re-accreditation of intake batches 2018 & onwards under OBA after satisfactory compliance

S#	Name of University/Program Profile		106th EAB Decision
			on deficiencies, weaknesses & concerns as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
05.	**Quaid e Awam University of Engineering, Science and Technology, Nawabshah**		
	Program	B.E. Electronics Engineering	Based on partial implementation of OBE and incomplete assessment/ CQI for the program, re-accreditation is granted for two batches i.e., for intake 2018 & F-2018 under Level-I.
	Current Status	From Intake of Batch 2015 to 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	February 21-22, 2022	The Institution, however, is required to address all deficiencies, weaknesses & concerns as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
06.	**Hamdard Institute of Engineering and Technology, Karachi (Hamdard University, Karachi)**		
	Program	B.E. Biomedical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e., Intake Batches 2018 & 2019 under Level-II.
	Current Status	From Intake of Batch 2009 to 2017, excluding Intake of Batch 2016	
	Visit Type	Re-Accreditation	
	Date of Visit	March 18-19, 2022	The Institution, however, is required to address all weaknesses & concerns, particularly in Criteria 1, 3 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.
07.	**National University of Computer and Emerging Sciences, Islamabad (Karachi Campus)**		
	Program	B.S. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is recommended for two (02) years i.e., Intake Batches 2018 & 2019 under Level-II subject to appointment of three (03) more PhD qualified relevant engineering faculty.
	Current Status	From Intake of Batch Fall-2013 to 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 21-22, 2022	In case, the HEI does not want to increase the PhD faculty then a formal application be submitted to EAD for reduction in allowed Intake in line with available PhD faculty members. The Institution, however, is required to address all weaknesses & concerns, particularly in Criteria 3 & 8 as mentioned in the visit report as part of its CQI process before applying for re-accreditation visit under OBA.

S#	Name of University/Program Profile		106th EAB Decision
01.	**School of Electrical Engineering and Computer Science, Islamabad (National University of Sciences and Technology, Islamabad)**		
a.	Program	Bachelor of Engineering in Software	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.
	Current Status	From Intake of Batch 2010 to 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 14-15, 2022	Students admitted in 2021 in violation of the allowed intake may be dealt in accordance with Article-8 of PEC Regulations of Engineering Education in Pakistan.
			The Institution, however, is required to address all weaknesses & concerns, particularly in Criteria 1, 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
02.	**National University of Technology, Islamabad**		
a.	Program	Bachelor of Engineering (Mechanical)	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.
	Current Status	From Intake Batch 2018	
	Visit Type	Accreditation	
	Date of Visit	February 28 & March 1, 2022	The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	Bachelor of Engineering (Electrical)	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, accreditation is granted for one (01) year i.e., for Intake Batch 2018 under Level-II.
	Current Status	From Intake Batch 2018	
	Visit Type	Accreditation	
	Date of Visit	February 28 & March 1, 2022	The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
c.	Program	Bachelor of Engineering (Civil)	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and

S#	Name of University/Program Profile		106th EAB Decision
	Current Status	From Intake Batch 2018	implementation of the Outcome-Based Assessment procedures and CQI, accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.
	Visit Type	Accreditation	
	Date of Visit	February 28 & March 1, 2022	The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 1, 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
d.	Program	Bachelor of Engineering (Computer)	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.
	Current Status	From Intake Batch 2018	
	Visit Type	Accreditation	
	Date of Visit	February 28 & March 1, 2022	The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 1, 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
03.	Pakistan Institute of Engineering and Applied Sciences, Islamabad		
a.	Program	B.S. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, re-accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.

Further, re-accreditation is also recommended for Intake Batch 2020 subject to verification of compliance on all observations through a confirmatory visit. The level of accreditation will be assigned subject to the outcome of confirmatory visit.

The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 2, 3, 5 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA. |
	Current Status	From Intake of Batch 2009 to 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 10-11, 2022	
04.	Ghulam Ishaq Khan Institute of Engineering Sciences and Technology, Topi - Swabi		
a.	Program	B.Sc. Computer Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, re-accreditation is granted for
	Current Status	From Intake of Batch 2011 to 2017	

S#	Name of University/Program Profile		106th EAB Decision
	Visit Type	Re-Accreditation	three (03) years i.e., for Intake Batches 2018, 2019 & 2020 under Level-II.
	Date of Visit	March 21-22, 2022	
			The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 1, 2, 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
b.	Program	B.Sc. Mechanical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, re-accreditation is granted for four (04) years i.e. for Intake Batches 2018, 2019, 2020 & 2021 under Level-II.
	Current Status	Till Intake of Batch 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 21-22, 2022	
			The Institution, however, is required to address all observations/ concerns, particularly in Criteria 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
c.	Program	B.Sc. Civil Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, accreditation is granted for two (02) years i.e., for Intake Batches 2018 & 2019 under Level-II.
	Current Status	From Intake Batch 2018	
	Visit Type	Accreditation	
	Date of Visit	March 21-22, 2022	
			The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 3, 4 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
05.	**National University of Sciences and Technology, Islamabad - Military College of Engineering, Risalpur Campus**		
a.	Program	B.E. Civil	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, re-accreditation is granted for four (04) years i.e., for Intake Batches 2018, 2019, 2020 & 2021 under Level-II.
	Current Status	Till Intake of Batch 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 11-12, 2022	
			The Institution, however, is required to address all observations/ weakness & concerns, particularly in Criteria 3 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.

S#	Name of University/Program Profile		106th EAB Decision
06.	University of Engineering and Technology, Peshawar (Jalozai Campus)		
a.	Program	B.Sc. Industrial Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome-Based Assessment procedures and CQI, re-accreditation is granted for three (03) years i.e., for Intake Batches 2018, 2019 & 2020 under Level-II. The Institution, however, is required to address all observations/ weaknesses & concerns, particularly in Criteria 3, 6 & 8 as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status	From Intake of Batch 2016 to 2017	
	Visit Type	Re-Accreditation	
	Date of Visit	March 18-19, 2022	

--

Agenda Item No.17 (a)(2) Consideration of Reports/ Summaries
[Confirmatory/Interim/Change of Scope]

S#	Name of University/ Program Profile		106th EAB Decision
01.	Government Collage University, Lahore		
	Program	B.Sc. Electrical Engineering	Based on physical verification and assessment during Confirmatory visit, re-accreditation is recommended for intake batch 2017 under Level-I subject to submission of satisfactory compliance report for conduction of following labs:
	Current Status	From Intake of Batch 2008 to 2016	
	Visit Type	Confirmatory	
	Date of Visit	January 31, 2022	
			i. Linear Control Systems
			ii. Digital Signal Processing
			iii. Computer Communication Networks
			Next re-accreditation request will only be entertained subject to procurement of equipment for labs as identified in visit report.
			The Institution, however, is required to address all deficiencies weaknesses & concerns, in all Criteria as mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit.
02.	University College of Engineering and Technology, Sargodha (The University of Sargodha, Sargodha)		
	Program	B.Sc. Civil Engineering	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for intake batches 2015 and 2016 to only those students who have performed the deficient
	Current Status	Intake of Batch 2014 only	
	Visit Type	Confirmatory	

S#	Name of University/ Program Profile		106th EAB Decision
	Date of Visit	February 18, 2022	laboratories in order to meet the PEC compliance/ observations. For remaining students of intake batches 2015 & 2016, the HEI is advised to apply afresh for Confirmatory visit after conduction of identified labs. The admission in the program is stopped from intake batch 2017 & onwards.
03.	**University of Engineering & Technology, Lahore (Narowal Campus)**		
	Program	B.Sc. Bio Medical Engineering	Based on physical verification and assessment during Confirmatory visit, permission is granted to continue the program. However, the HEI is advised to comply the following observations before the accreditation visit and submit a comprehensive compliance report along-with tangible evidences: i. Completion of procurement and commissioning of equipment for all program related labs. ii. Hiring of Lab Engineers and allied lab staff as per PEC policy.
	Current Status	Zero Visit permission recommended from intake Fall-2017 subject to confirmatory visit	
	Visit Type	Confirmatory of Zero + Interim visit	
	Date of Visit	February 11, 2022	
04.	**Minhaj University, Lahore**		
	Program	B.Sc. Electrical Engineering	Based on the satisfactory compliance, permission is granted to launch the B.Sc. Electrical Engineering program w.e.f Fall-2022 onwards. The intake must be restricted to 50 students per year in a single entry. However, HEI must ensure proper training and implementation of OBE system before interim visit in 2nd year (4th Semester).
	Current Status	-	
	Visit Type	Confirmatory of Zero visit	
	Date of Visit	March 11, 2022	
05.	**Islamia University of Bahawalpur, Bahawalpur**		
	Program	B.Sc. Civil Engineering	Permission is granted to continue the program. However, the HEI is advised to comply the following observations before the accreditation visit and submit a comprehensive compliance report along-with tangible evidences for assessment/ verification within six months. i. Rigorous training of faculty and lab engineers on understanding and implementation of OBE in general and implementation of CEPs, OELs, PBLs and CQI at student and cohort level in specific.
	Current Status	Zero Visit permission granted from intake Fall-2019	
	Visit Type	Interim	
	Date of Visit	February 11, 2022	

S#	Name of University/ Program Profile		106th EAB Decision
			ii. Implementation of CEPs, PBLs & OELs in theory/ lab courses. iii. Implementation of well-defined mechanism of rubrics and comprehensive standard operating procedures (SoPs) for FYDP to ensure the attainment of GAs. iv. Hiring of Lab Engineers as per PEC policy. The Institution, however, is required to address all other observations as mentioned in the detailed report as part of CQI process for verification during accreditation visit.

Zone-II (Sindh, Balochistan)

S#	Name of University/Program Profile		106th EAB Decision
01.	**Bahria University Islamabad, Karachi Campus**		
	Program	Bachelor of Software Engineering	Based on the observations and assessment, permission is granted to increase the allowed intake from 80 to 120 students per year with effect from intake batch Fall-2022. The Institution, however, is required to address all other observations as mentioned in the detailed report as part of CQI process for verification during subsequent accreditation visit.
	Current Status	From Intake Batch Fall 2000 to 2018	
	Visit Type	Change of Scope (Increase in allowed intake)	
	Visit Date	December 27-28, 2021	
02.	**University of Sindh, Jamshoro**		
a.	Program	B.E. Electronics Engineering	Based on physical assessment and evaluation of the program, permission is granted to continue the program. However, the HEI is advised to comply the following observations within six months and submit a comprehensive compliance report along-with tangible evidences for assessment / verification: a. Purchase of at least 5 sets/ kits of equipment for each laboratory course. b. Appointment of minimum two more lab engineers. c. Procurement of more program related text books to meet the student requirement. d. Conduction of formal training/ workshop on OBE system for all faculty of electronic engineering department.
	Current Status	From Intake Batch 2020	
	Visit Type	Interim Visit	
	Visit Date	February 22, 2022	

S#	Name of University/Program Profile		106th EAB Decision
			The Institution, however, is required to address all other observations as mentioned in the detailed report as part of CQI process for verification during accreditation visit.
b.	Program	B.E. Telecommunication Engineering	Based on physical assessment and evaluation of the program, permission is granted to continue the program.
	Current Status	From Intake Batch 2020	However, the HEI is advised to comply the following observations within six months and submit a comprehensive compliance report along-with tangible evidences for assessment / verification:
	Visit Type	Interim Visit	
	Visit Date	February 23, 2022	
			a. Increase in equipment and number of work stations in identified labs as per visit report to meet student's demands/requirements. b. Maintain Course files in-line with PEC requirements. c. Provide evidence of the practicing of CEPs, OELs & PBLs d. The HEI needs to be more concerned about workplace safety and EHS issues. There is no approved EHS policy. The training for staff in this regard needs to be conducted along with the provision of associated material. e. Development of OBE based lab courses.
			The Institution, however, is required to address all other observations as mentioned in the detailed report as part of CQI process for verification during accreditation visit.
			Further, as per the existing scenario of limited opportunities in Telecom sector, the EAB has advised to HEI to merge/ as a stream of Telecom Engineering within Electronics Engineering program to avoid future limitations.
03.	**Indus University, Karachi**		
	Program	B.E. Electrical (Electronics/ Power Engineering Program)	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for one year i.e., Intake Batch 2017 under Level-II.
	Current Status	From intake of Batch 2014 to 2017	Moreover, the Change of Scope regarding merger of Electrical (Electronics) and Electrical (Power)
	Visit Type	Confirmatory	Engineering Programs into Electrical

S#	Name of University/Program Profile		106th EAB Decision
	Visit Date	March 05, 2022	(Electronics/Power) Engineering Program is also granted w.e.f intake 2015 with existing allowed intake for both streams i.e. 50 for Electronics and 40 for Power. Further, the HEI has to submit afresh application/ SAR for re-accreditation of intake batches 2018 & onwards under OBA after satisfactory compliance on weaknesses & concerns mentioned in the PEV report as part of its CQI process before applying for re-accreditation visit under OBA.

Zone-III (Islamabad, AJK, KPK, GB)

S#	Name of University/Program Profile		106th EAB Decision
01.	**Pakistan Institute of Engineering and Applied Sciences, Islamabad**		
	Program	B.S. Chemical Engineering	Based on physical assessment and evaluation of the program, permission is granted to continue the program. However, the HEI is advised to submit the comprehensive compliance report along with tangible evidences on following observations within six (06) months:
	Current Status	Zero Visit permission granted from intake Fall-2019	
	Visit Type	Interim	
	Date of Visit	January 17, 2022	
			• Improvement in the course folders for theory and lab courses, inline with PEC Accreditation Manual – 2019 guidelines.
			• Improvement in the Library by addition of more program related books/ titles.
			• Improvement in arrangements/ measures to ensure work-place safety (EHS concerns) in general, and while performing experiments in the labs in particular.
			• Addressal of all observations mentioned in the detailed visit report.
02.	**COMSATS University, Islamabad (Abbottabad Campus)**		
	Program	Bachelor of Science in Computer Engineering	Based on physical verification and assessment during Confirmatory visit, re-accreditation is granted for Intake Batch 2018 under Level-II. However, the observations/ weaknesses and concerns identified in the PEC visitation report must be addressed. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for subsequent re-accreditation visit.
	Current Status	From Intake of Batch Fall-2001 to Spring-2009 and 2016 to 2017	
	Visit Type	Confirmatory of Re-Accreditation	
	Date of Visit	March 12, 2022
